RING SIZING CHART

PRINT THIS SHEET

Print this sheet with “none” selected under the page scaling option. This option is in the Print Preview window.

FOLLOW THESE STEPS:

1 Find a ring that perfectly fits the finger you would like to know the size of.

2 Place the ring on top of the green circles. Each circle represents a different ring size.

3 When the edge of the green circle aligns with the inner edge of the ring, you have found your size!
